

P@SHA Final Voter List 2026

Central Executive Committee Elections 2026 (Term 2026–2028) | Displayed on Monday, 24 August 2026

Foreword

This is the Final Voter List for the Central Executive Committee (CEC) Elections 2026 of the Pakistan Software Houses Association for IT & ITES (P@SHA), for the term 2026–2028. It is displayed under Rule 18(8) of the Trade Organizations Rules 2013 following the disposal of all objections to the Provisional Voter List by the Secretary-General under Rule 18(5) and of all representations by the Election Commission under Rule 18(6). The list carries **548 eligible member companies**, each represented by one registered authorized representative.

Election by Class of Membership

The Central Executive Committee shall be elected **by each class of membership separately**. Members are requested to note the following carefully.

Section 10 of the Trade Organizations Act 2013 and Rule 21 of the Trade Organizations Rules 2013, read with Article 10 of P@SHA's Articles of Association, govern the composition of the Executive Committee and the electoral college for each seat. Article 10(c) of the Articles of Association provides:

“The electoral college of each of the members of the Executive Committee be the members of the General Body from the respective class.”

Accordingly, **Corporate members shall vote only for candidates contesting the Corporate seats, and Associate members shall vote only for candidates contesting the Associate seats**. Two ballot papers will be used at each polling centre; no member may vote on the ballot of the other class. Marking more candidates than the seats available shall void the entire ballot.

Two Seats Reserved for Women Entrepreneurs

In addition to the ten general seats, **two seats of the Central Executive Committee are reserved for women entrepreneurs**, under Article 10(e) of the Articles of Association read with Rule 21(6) of the Trade Organizations Rules 2013, for which the electoral college shall be the newly elected Central Executive Committee. The election to these two seats will be held on **Friday, 18 September 2026**.

Important: Women representatives may contest the open CEC seats of their own class on exactly the same basis as any other member. The reserved seats are separate from, and independent of, the open seats. A woman representative wishing to contest both must submit **a separate nomination form for each category**.

Nominations are now Open!

Nominations for the Corporate seats, the Associate seats and the Women Reserved Seats open with the display of this Final Voter List on Monday, 24 August 2026. Under Rule 18(9) of the Trade Organizations Rules 2013, a nomination must be duly proposed and seconded by a duly registered voter and signed by the candidate.
