AI Indus Week 2026

Strategic Planning & Industry Participation

- The committee reviewed preparations for AI Indus Week 2026, scheduled to take place from 9th to 15th February 2026. Discussions focused on positioning the initiative as a broad-based platform for innovation, entrepreneurship, employment, and ecosystem development.
- The event will feature a range of activities aimed at students, startups, job seekers, technology companies, and industry stakeholders, with participation planned across multiple cities in Pakistan.

Industry Collaboration & Job Fair

The committee discussed P@SHA's role in supporting key components of the initiative, including industry engagement and talent development activities. Members emphasized the importance of strong participation from technology companies and relevant stakeholders to maximize impact and opportunities for the ecosystem.

Governance, Branding & International Engagements

Branding & Partnership Guidelines

The committee discussed the importance of maintaining consistency in organizational branding and agreed to strengthen guidelines for the use of P@SHA's official identity across supported initiatives, partnerships, and events.

International Collaboration

Updates were shared on ongoing and upcoming international engagements aimed at strengthening partnerships and enhancing opportunities for Pakistan's technology ecosystem. The committee discussed approaches to further improve international coordination and stakeholder engagement.

Financial & Governance Updates

A financial overview of organizational performance was presented to the committee, including updates on revenue streams, operational activities, and organizational sustainability. The committee emphasized the importance of periodic financial reporting and long-term sustainability planning.

The committee also reviewed ongoing governance and compliance matters related to regulatory requirements and organizational documentation, with discussions focused on ensuring continued alignment with applicable frameworks.

Action Items:

- Continue engagement on key policy and advocacy matters impacting the IT sector.
- Support planning and participation for AI Indus Week 2026.
- Strengthen implementation of branding and partnership guidelines across supported initiatives.
- Advance international engagement and collaboration efforts.
