Dear Members,

I am pleased to inform you that the Election Commission has approved the following changes in authorised representatives for the P@SHA Annual Elections 2024:

Change in Authorised Representatives

Membership Timeline Issue

Additionally, Wallsoft Tech had raised an issue regarding their membership timeline. Due to a typographical and system error, the invoicing email dated June 26, 2024, did not reach the company's inbox, causing a delay in their payment, which was completed after the deadline of June 30, 2024. The Election Commission has acknowledged this issue, and the company's request to retain their voting rights has been approved, considering the payment was made and the delay was due to a system error.

Please update your records accordingly and prepare for the upcoming elections. We appreciate your attention to these matters and your continued support of P@SHA.

Best regards,
Nadeem Aslam Malik
Secretary General
Pakistan IT Industry Association (P@SHA)
